

Message three: There is a Cosmic Struggle

August 15 – Discussion Questions

1. How often do you think most Christians are aware that there is spiritual warfare going on in their lives?
2. Describe a time in your life when you truly felt you were in a spiritual battle.
3. What does it mean to say that Satan is an Adversary of God's people? How does that play out in real life for most American Christians? What about in an atheistic country controlled by a dictator?
4. American Christians so far have been spared deep persecution. If it were to come to our country, is the average church and Christian prepared to do what John described: patient endurance and faithfulness?
5. What about the Beast rising from the Land (the deceiving False Prophet) who seeks to steal the worship of God and divert it to other things. How are we as American Christians affected by this Dragon-inspired strategy.
6. From Rev. 12:11, what are the three keys to overcoming the Dragon (Satan)?
